

Bradford Breastfeeding Welcome Scheme 2022

Would you like your venue to be breastfeeding welcome?

No special feeding place or equipment needed!

How to sign up:

1. Read and understand what the Breastfeeding Welcome scheme is, and why, on the website here:
<https://www.breastfeedingwelcomescheme.org.uk/about/>
2. Share the information with your whole staff team either by email or at a team meeting so that everyone is aware of being Breastfeeding Welcome, and adopt a breastfeeding policy such as the draft policy, available to download here:
https://www.betterliveshealthyfuturesbw.nhs.uk/learning_resource/breastfeeding/ or by emailing breastfeedingwelcome@bdct.nhs.uk
3. Add your organisation's details to the Breastfeeding Welcome website here:
